WHAT IS THE FAHLO JOURNEY BRACELET?

For those who want to monitor their own sea turtle on budget, the journey bracelet is the best option. The bracelet comes with a card that has the turtle's name, image, and backstory, as well as a QR code.

WHY SHOULD YOU BUY FAHLO SEA TURTLE BRACELET?

MONITOR A GENUINE SEA TURTLE:

Here you are given a real sea turtle to trace along with your bracelet. You will find the most crucial QR code on the card that is included with the bracelet, which will enable you to follow your turtle.

GET TO KNOW YOUR TURTLE:

Find out the name of your sea turtle, and its size, and get a photograph of it as well. Learn about their fascinating histories and where they originated, as each card has a one-of-a-kind tale about the featured turtle, such as where it was discovered, how it survived, how old it is, where it is now located, and so on.

EXCLUSIVE AND DETAILED LOCATION MAP:

Using the QR code that was supplied, you may follow the remarkable trip that your sea turtle is doing on an infographic map. You'll also be able to see some interesting statistics about them, such as their velocity, the distance they've gone, and much more!

HELP TO SAVE THE SEA TURTLES:

A part of all profits is given to the Sea Turtle Conservancy, an organization that works to promote awareness of sea turtle issues and promote protection for sea turtles all around the world.

FREE SIZE:

Each bracelet is constructed with an elastic band to suit a wide range of wrist sizes, thus there is only one size available.

BUDGET-FRIENDLY:

This amazing bracelet only costs approximately \$17 and has a positive effect on sea turtles.

This bracelet also has the potential to be an awesome and profound alternative for you to give to the people you care about as a present as the bracelet has a positive influence.
